

Best Practise 2018-19

Best Practise-I

Women Empowerment

Objectives:

- To create enriched, empowered girl students in all respect of academic and non-academic objects.
- To create awareness about women's rights, and equality for women.
- To increase competency and entrepreneurial attitude amongst girl students.
- To create awareness about opportunities, Government policies for the betterment of women, through seminars and workshops.

Context: The motto of the institute is 'Education for the deprived'. In response to said agenda different committees are working since. The number of girl students is more than 50 percent every year. The place of women in Indian society, particularly in rural regions is inferior and to overcome women-centric challenges "Women Development and Complaint Redressal Committee is working. The committee empowered the girl students to face challenging issues such as educational, economic and social issues. And the committee also works to create a better society with a distinctive identity for girls.

The Practice: Women's Development and Complaint Redressal Committee of the VVMs Arts and Commerce College is formed at the beginning of the academic year. The female faculty of the college chaired the committee. Yuvati Sabha the unit is beautifully working in the college under guidance of the affiliated university. Organised programme like Karate training, personality development program, arrange seminars on gender discrimination etc.

Evidence of Success: The committee has maintained the photos and media evidence.

Best Practice-II

Voluntary Blood Donation Campaign

Goal: To create a voluntary Blood Donors group of students, staff, and villagers and awareness of Blood donation.

The Context: The location of the college, the modern medical scenario, and the scarcity of blood in the domain enforced us to create blood donor groups. Many peoples from this region are not aware even of their own blood group and have misconceptions about blood donation. Blood donation camps were organized in collaboration with Navajivan Blood Bank, HR Akkalkuwa and Ali Annan Hospita Akkalkuwa.

Evidence of Success: NSS unit of the college organized awareness camps regularly, and provide facilities to test blood groups. A total of 64 units of blood were collected from single camp. Problems encountered and resources required: No problems were experienced by the college while organizing Blood donation Camps. Funds required for miscellaneous requirements like healthy snacks, and fruits for donors are managed by the college.
