

Distictiveness

The college is situated in the heart of Satpuda mountain and more than 80 of the students are from a tribe community. The staff fluently adopted five students for three years and provided them with clothes books and notebooks etc even the care is taken by the teacher like his examination, family matters we tried to make him feet morally and psychologically. The college offers UG courses for deprived students in rural areas. Teachers are well-qualified and experienced in teaching and research. The college ensures scope for the all-round development of the students by providing quality education, environmental awareness, and inculcating ethics. The college organizes blood donation camps and collects blood for blood banks. The institution has its own policy that after the death of an employee in service, a one-day salary is given to his family as a relief fund
