

Best practices (I)

Best Practise-I Women Empowerment

Objectives:

- To create enriched, empowered girl students in all respect of academic and non-academic objects.
- To create awareness about women's rights, and equality for women.
- To increase competency and entrepreneurial attitude amongst girl students.
- To create awareness about opportunities, Government policies for the betterment of women, through seminars and workshops.

Context: The motto of the institute is 'Education for the deprived'. In response to said agenda different committees are working since. The number of girl students is more than 50 percent every year. The place of women in Indian society, particularly in rural regions is inferior and to overcome women-centric challenges "Women Development and Complaint Redressal Committee is working. The committee empowered the girl students to face challenging issues such as educational, economic and social issues. And the committee also works to create a better society with a distinctive identity for girls.

The Practice: Women's Development and Complaint Redressal Committee of the VVMs Arts and Commerce College is formed at the beginning of the academic year. The female faculty of the college chaired the committee. Yuvati Sabha the unit is beautifully working in the college under guidance of the affiliated university. Organised programme like Karate training, personality development program, arrange seminars on gender discrimination tec.

Evidence of Success: The committee has maintained the photos and media evidence.

Best Practice-II

Best Practice : Voluntary Blood Donation Campaign

Goal: To create a voluntary Blood Donors group of students, staff, and villagers and awareness of Blood donation.

The Context: The location of the college, the modern medical scenario, and the scarcity of blood in the domain enforced us to create blood donor groups. Many peoples from this region are not aware even of their own blood group and have misconceptions about blood donation. Blood donation camps were organized in collaboration with Navajivan Blood Bank, HR Akkalkuwa and Ali Annan Hospita Akkalkuwa.

Evidence of Success: NSS unit of the college organized awareness camps regularly, and provide facilities to test blood groups. A total of 64 units of blood were collected from single camp.

Problems encountered and resources required: No problems were experienced by the college while organizing Blood donation Camps. Funds required for miscellaneous requirements like healthy snacks, and fruits for donors are managed by the college.

Best practices (I)

Best Practice-I Women Empowerment

Objectives:

- To create enriched, empowered girl students in all respect academic and non-academic. To create awareness about women's rights, equality, and for women.
- To increase competency and entrepreneurial attitude amongst girl students.
- To create awareness about opportunities, Government policies for the betterment of women, through seminars and workshops

Context: Motto of the institute is 'Education for deprived'. In response to said agenda different committees are working. The number of girl students is more than 50 percent every year. The place of women in Indian society, particularly in rural regions is inferior, and to overcome women-centric challenges "Women Development and Complaint Redressal Committee, and Sexual Harassment Committee are working in VVMS Arts and Commerce College. The committee empowered the girl students to face challenging issues such as educational, economic, and social issues. And the committee also works to create a better society with a distinctive identity for girls. The Practice: "Women Development and Complaint Redressal Committee, and Sexual Harassment are working collaboratively. VVMs Arts and Commerce College Akkalkuwa organizes various programs throughout the year for the welfare and Empowerment of girl students. The college has strengthened the Committee. The coordinators and the faculty members draw out a plan of action to achieve the objectives. On the occasion of 'International Women's Day' the committee conducted a program on the protection of women's rights. Advocate Ranjit Padav was chief guest and, Sumitra Vasave Social worker was the inaugural of the program. The event was successfully coordinated by Prof S.S. Pawar. A National Webinar on 'Gender Sensitization and Issues of Domestic Violence during the covid-19 pandemic' was organized by the committee. spokes on the topic Violence against women: Causes and Consequences. 159 participants joined the webinar from all over Maharashtra.

Evidence of Success:

The organization of such programs, seminars, and the goals of the committee were achieved successfully to some extent. Many girls' students motivated through such programs. Few girl students joined P. G. courses, and professional courses and uplift their careers.

Problems encountered and resources required:

The response of girl students from remote villages is poor and needs to be guided separately.

Best practices (II)

Best Practice-I Women Empowerment

Best Practice: Blood Donation Campaign

Goal: College aims to inculcate social responsibility and community service among students. Medicinally aware people in terms of donating blood and dispelled misconceptions about donating blood. The college promotes the idea to save human life, one blood donation can assuredly save up to Three lives which inculcates humanity among students. College is in a Tribble belt so blood is needed every minute. Due to this there is continuous demand for blood. People of this region must get blood as and when necessary. Awareness among people is necessary in terms of donating blood or else because the college is located in a rural area. It is also observed generally that people due to fear and misconceptions do not donate blood.

The Practice: The college made publicity in collaboration with the NSS unit and RH Akkalkkuwa and Navjeevan Blood Bank. Students, Staff, and ex-students respond to the Blood donation Camps. NSS Unit of College made MOU with RH Akkalkkuwa and Navjeevan Blood Bank and Ali Annan Unani college Akkalkkuwa. It has been the usual practice of the college to conduct Blood donation Camps. The college organizes rallies, Awareness camps, and blood donation camps in the region and also in adopted villages in collaboration with RH Akkalkkuwa Dr. R.S Patil, Dr, J. B. Bagul, Dr. M. L. Sawant, Dr. S.B Patil. and students regularly donate blood. Evidence of Success: Blood donation groups were established in the region and in the adopted village Two faculty members received a letter of Appreciation by RH Akkalkkuwa and Navjeevan Blood Bank. In every blood camp, we have received tremendous response, participation and involvement from the student and society. This is the only college that organizes blood donation camps regularly in the neighbouring villages.

Problems encountered and resources required: Technical staff More work is to be done about wrong notions and hesitation about blood donation. To organize camps more human resource is required.

Best practices (I)

2020-21

1) Title of Practice:

NSS works towards the neglected sector of society during pandemic.

2) Objective

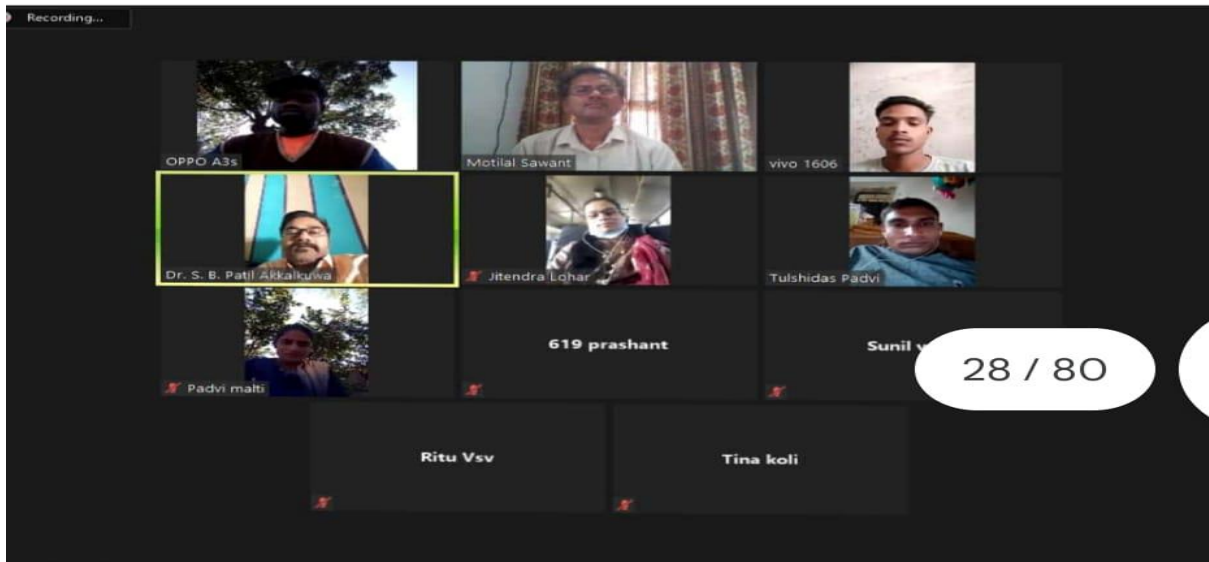

- To participate in awareness programmes of COVID 19 in Akkalkuwa Tehsil
- To contribute to the society particularly focused on neglected sectors of the society through various community-based awareness and distributing mask, sanitizers and creating awareness for vaccination. Also, the staff and students of our institute create awareness about various schemes related to neglected society operated by Government.
- To develop the habits of safety measures recommended by the Government of Maharashtra and India.

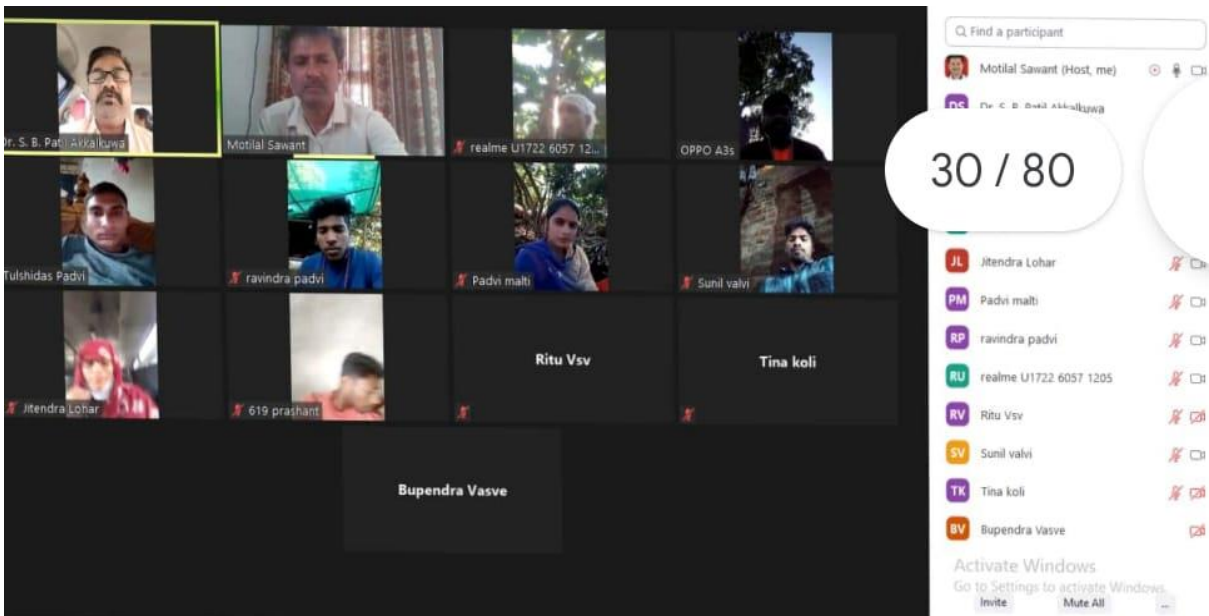

1) Context

The institute has been contributing for noble cause of society since begging. In the last quarter of the academic year the whole world faced pandemic situation with devastating covid 19 which brought lockdown at individual level. It brought a challenge before educational institutes specially those which incessantly contributing to the betterment of society. Similarly in such pandemic situation as an institute we recognise our social responsibility and in this regard our staff taken care of neglected sectors of the society by providing them Masks, Sanitisers, Food packets. As well as performing street plays in order to awaken the society about the harms of Tobacco and aware peoples for Covid-vaccination.

4) Practice –

The NSS unit was very active in covid. 15 Augst to 22 Augst 2020 One Week campaign. The Challenging situation of pandemic gave an opportunity to the Units like NSS which started creating awareness about COVID-19 as well as providing Masks, Sanitisers, Food packets to the COVID suffered peoples. Both the units and all the staff members actively created social awareness about COVID-19. On the other hand NSS unit did splendid work about spitting kills creating awareness about spitting at public places was appreciated at different level. NCC also added to it, prepared awareness video about COVID 19 and uploaded on Youtube for large coverage **Evidence**

6) Problem-Resources Required

As this program is planned / chances of problems are less and more. Preparation of materials and items required for this program is done in advance.

7) Notes Feedback

It is one of the best practices to aware the tribe people about the vaccination and students were ready to help the hospital staff in their won villages in vaccination camps. The activity revitalised participants from

different organisation and citizens of neighbouring locality which enhanced the scope of the activity.

Best practices (II)

1) Title of Practice:

NSSC creates awareness regarding COVID vaccination

2) Objective

The College has been actively involved in the awareness of devastating pandemic COVID 19, which has disturbed the whole world economy. The institute has profoundly conducted activities for the awareness of it with following objectives

- To participate in awareness programmes of COVID 19 in Akkalkuwa Tehsil.
- To contribute to the society through various community-based awareness through social distancing.
- To disseminate knowledge about measures to be taken by people at different places for safety. • To develop the habits of safety measures recommended by the Government of Maharashtra and India.
- To bring expected social change among affected people.

3) Context

The institute has been contributing for noble cause of society since begging. In the last quarter of the academic year the whole world faced pandemic situation with devastating covid 19 which brought lockdown at individual level. It brought a challenge before educational institutes specially those which incessantly contributing to the betterment of society. Similarly in such pandemic situation when had to deliberately order all about work from home which gave an opportunity to the different departments and units of the institute to bring awareness around.

4) Practice –

The Challenging situation of pandemic gave an opportunity to the Units NSS which started creating awareness about COVID 19 through online resources like Google forms and Zoom application. The unit actively created videos and quizzes with the help of volunteers. On the other hand NSS unit did splendid work about spitting kills creating awareness about spitting at public places was appreciated at different level. In continuation the Department of English and IQAC came up with google quizzes, competition and stress management activity during pandemic. National Level Seminar was organised on stress management.

5) Evidence

Evidently such practice of making people, staff and students involved during the fight against Corona Virus really kept the District at limited thin line of spreading corona virus in compare to neighbouring Districts like Dhule and Jalgaon. During the month of March, April and May the District maintain the boundary of Green zone with limited infection among people.

6)Problems encountered and Resources Required:

It has been really a challenge before the District administration to keep the safety level of individuals and managing the measures required to control the spread of Corona virus, due illiteracy rate of the District and lack of awareness. But the contribution of institute has added little bit to spread awareness about impact of Corona on life and economy. It resulted in high recovery rate of patients. Initially people took the things casual but the line of series action was well maintained by the units of the college. During this the institute faced many

problems like maintaining the law and rules of social distancing. The Institute used the popular platform for contacting staff and society

6) Problem-Resources Required

As this program is planned / chances of problems are less and more. Preparation of materials and items required for this program is done in advance.

7) Notes Feedback

In Covid period a such kind of work was really praiseworthy and even Covid Yodha awards were given to our staff as well as students

Best practices (I)

1) Title of Practice:

Voter Awareness week on the occasion of the National Voter Day.

2) Objective

1. To aware the people about the importance Vote
2. To inculcate the knowledge about the great democracy
